Part 1 - Prevention and suppression of health nuisances

1.

No owner or occupier of any shop or business premises or vacant land adjoining a shop or business premises shall use, cause or permit to be used such shop or business premises, vacant land or any portion thereof which is open to the public, for the purpose of storing, stacking, or keeping any waste material, refuse, crates, cartons, containers or any other articles of like nature in such a way as to cause a health nuisance.

2.

Notwithstanding the provision of any other By-law or legislation no person shall—

- (1) Allow any erf to be overgrown with bush, weeds or grass or other vegetation, except cultivated trees, shrubs and grass, to such an extent that, in the opinion of the Council, it may be used as a shelter by vagrants, wild animals or vermin or may threaten the public health or the safety of any member of the community.

- (2) Fail to maintain the sewers, drains, water fittings, waste water fittings, water closet fittings and all other sanitary accessories forming part of or attached to any building or structure in good and sound repair.
- (3) Deposit, keep, cause or permit to be deposited or kept any nightsoil on any premises, except in a proper sanitary convenience approved by the Council.
- (4) Keep, cause or suffer to be kept upon any premises any sanitary convenience of such nature or in such condition that it is a health nuisance.
- (5) Carry, convey or permit to be carried or conveyed through or in any street or public place, any objectionable material or thing, liquid or solid, which is or may become a health nuisance, unless such objectionable material or thing is covered with suitable material in order to prevent the creation of any health nuisance.
- (6) Cause or permit any stream, pool, ditch, drain, gutter, watercourse, sink, bath, cistern, water closet, privy or urinal on any land or premises to that owned or occupied by him or of which he is in charge to be or to become so foul or in such a state or to be so situated or constructed so as to be a health nuisance.
- (7) Cause or permit any foul or polluted water or any foul liquid or objectionable material to run or flow from any premises to that owned or occupied by another person, whether occupied for trade, business, manufacturing, dwelling or other purposes, onto any land or into any stormwater, river or canal system.
- (8) Commit, cause or permit to be committed any act which may pollute any water to which inhabitants of the area of jurisdiction of the council have the right of use or access.

3.

- (1) Where any objectionable material, article or matter of whatsoever nature has been accumulated or stored on any erf, street, thoroughfare, public square or commonage or where there is an overgrowth of bush, weeds, grass or vegetation on any erf in contravention of section 1 and 2(1) the Council may serve a notice to abate such health nuisance on —
 - (a) The person directly or indirectly responsible for such accumulation or storing; or
 - (b) The owner of such material, article or thing, whether or not he is responsible for such accumulation, or storing; or
 - (c) The owner of the erf on which such accumulation or storing takes place, whether or not he is responsible therefor, or
 - (d) The owner of the erf on which there is an overgrowth of bush, weeds, grass or vegetation.
- (2) In the event of the recipient failing to comply with the requirements of a notice served

on him in terms of section 3(1) within the time specified in such notice, the Council may, at the expense of the recipient, together with any assistants and advisors it may require, forthwith enter upon such premises and clear from such premises any such trees, bushes, weeds, grass, stones and rubble or objectionable matter. The cost of such work shall be recoverable by the Council in any court of competent jurisdiction from the person in default.

4.

No person shall occupy or cause or suffer to be occupied any premises for habitable purposes so as to be a health nuisance, whether by overcrowding or otherwise.

5.

The owner of any premises which is let or sublet to more than one tenant, shall maintain at all times in a clean and sanitary condition every part of such premises as may be used in common by more than one tenant.

6.

No person shall keep, cause or suffer to be kept any factory or trade premises so as to cause or give rise to smells or effluvia that constitute a health nuisance.

7.

Every person who is the occupier or in charge of any premises or the owner of any vacant land in the area of jurisdiction of the Council, shall take all possible precaution to prevent conditions favouring the multiplication and prevalence of, and shall take steps for the eradication of mosquitoes, flies, fleas, bugs, cockroaches or other vermin or pests. An authorised person employed by council may serve upon such owner, occupier or person in charge a notice in regard to the prevention or eradication of any such vermin or pest and specify a time period within which such vermin and/or pest must be eradicated.

8.

No person shall keep, cause or suffer to be kept on any premises any accumulation or deposit of filth, rubbish, refuse, manure, other offensive matter, or objectionable material or thing so as to be a health nuisance.

9.

No person shall, without the written permission of the Council, occupy or permit to be occupied for human habitation a caravan, tent or other similar shelter of any

description on unserviced land except on an authorised camping or caravan site.

10.

Any person who contravenes or fails to comply with any provisions of this Part or fails to comply with any notice lawfully given thereunder shall be guilty of an offence.

Part 3 - Medical waste management

23.

- (1) Generators must handle and store medical waste in a safe manner that poses no threat to human health or to the environment and are under a duty to ensure that medical waste is removed from their premises, transported and disposed of in accordance with this By-law.
- (2) Without limiting the generality of the duty in subsection (1), generators must comply with the following requirements:
 - (a) separate medical waste from other waste at the point at which it is generated;
 - (b) store medical waste in leak-proof, sealable containers and ensure that containers which are used for the storage of sharps and other clinical items which can cause cuts or punctures or injections are, in addition, rigid and puncture-resistant;
 - (c) label each medical waste container indelibly and in large, legible lettering with —
 - (i) the name and address of the generator;
 - (ii) the words "Danger: Medical Waste" , "Gevaar: Mediese Afval" and "Ingo: Inkunkuma Yezamayeza"; and the international bio-hazard logo; and
 - (iii) the date on which the medical waste container is removed from the generator's premises;
 - (d) prevent public access to medical waste containers which are in use;
 - (e) store filled medical waste containers in controlled, secure areas which are reserved for the storage of medical waste;
 - (f) make arrangements for the removal of medical waste from their premises and for the transportation of medical waste to a disposal site by a person who transports medical waste in terms of this By-law and who is registered as a transporter as contemplated in section 26 of this By-law;
 - (g) make arrangements for the disposal of medical waste by a person permitted to dispose of medical waste in terms of this By-law.

- (3) Generators may apply in writing to the Council for permission to handle, store and otherwise deal with their medical waste in a manner which does not comply with the requirements set out in subsection (2).
- (4) The Council may in writing grant the permission referred to in subsection (3); provided that it may grant such permission subject to conditions.
- (5) Generators may transport and dispose of medical waste, provided that they do so in terms of this By-law.
- (6) Generators must —
 - (a) maintain an up-to-date written record of medical waste removed from their premises in the format as prescribed from time to time by the Council.
 - (b) acquire from the disposer of the medical waste written notification that the medical waste has been disposed of and, on receiving such notification, indicate in their written records that the medical waste has been thus disposed of;
 - (c) keep the written record referred to in (a) and the notification referred to in (b) for period of one year after the removal from their premises of the medical waste.

24.

- (1) Transporters must remove medical waste from the premises of a generator, transport, store and deliver such medical waste to the site at which it will be disposed of in a safe manner which poses no threat to human health or the environment.
- (2) Without limiting the generality of the duty in subsection (1), transporters must comply with the following requirements:
 - (a) not remove medical waste from the containers in which the generator has stored the medical waste;
 - (b) transport and store medical waste in such a way that no member of the public can gain access to the medical waste or the containers in which it is stored;
 - (c) transport medical waste in vehicles which are —
 - (i) capable of containing the medical waste;
 - (ii) designed to prevent spillage;
 - (iii) constructed of materials which are easy to clean and to disinfect;
 - (iv) capable of being secured in order to prevent unauthorised access;
 - (d) deliver medical waste only to a person and site permitted to dispose of medical waste in terms of section 25.
- (3) Transporters may apply in writing to the Council for permission to remove, transport,

store and deliver medical waste in a manner which does not comply with the requirements set out in subsection (2).

- (4) The Council may in writing grant the permission referred to in subsection (3); provided that it may grant such permission subject to conditions.
- (5) Transporters may dispose of medical waste, provided that they do so in terms of this By-law.
- (6) Transporters must maintain a written record in respect of each collection and delivery of medical waste, which they must update simultaneously with each collection and delivery, and such record must be in the format as prescribed from time to time by the Council and must keep such record for a period of one year from the date on which the medical waste is delivered. Transporters must keep a copy of the relevant record in the vehicles used for the transportation of the medical waste.

25.

Medical waste may only be disposed of by a person—

- (1)
 - (a) who holds a permit to operate a hazardous waste site in terms of section 20 of the Environment Conservation Act, 73 of 1989, or who is authorised to incinerate medical waste by means of equipment which has been approved in terms of the Atmospheric Pollution Prevention Act, 45 of 1965, or both; and
 - (b) who complies with all terms and conditions attached to such permit and authorisation.
- (2) A person permitted in terms of subsection (1) to dispose of medical waste must do so at the site at which the permit or authorisation, or both, permits him or her to dispose of medical waste and may not dispose of medical waste at any other place.
- (3) Persons who dispose of medical waste must—
 - (a) maintain an up-to-date written record of each delivery of medical waste to the disposal site in the format as prescribed from time to time by the Council.
 - (b) keep such record for a period of one year from the date on which the medical waste is disposed of.

26.

- (1) Every generator must register with the Council within 6 months of the coming into operation of this By-law by completing and submitting a written notification to the Council in the format prescribed from time to time.
- (2) Every transporter must register with the Council within 6 months of the coming into

operation of this By-law by completing and submitting a written notification to the Council in the format prescribed from time to time.

- (3) Generators and transporters must advise the Council of any changes to the information provided in terms of subsections (1) and (2) as soon as such change takes place.

27.

Any person who contravenes any provision of this Part or fails to comply with any notice lawfully given thereunder commits an offence.

Part 4 - Trades

Such container may be carried on the outside of the vehicle, provided it is fitted into another container that will protect its contents from contamination, and it can be easily removed for cleaning.
- (b) If the conveyance is a trailer, it shall comply with the provisions of sub-section (a) (i), (ii), (iii), (v), (vi) and (vii).
- (c) If the conveyance is a vehicle of under 1 ton:
 - (i) It shall comply with the requirements of subsection (a) (i) and (iii).

- (ii) It shall be permissible for retail butchers to convey therein meat from an abattoir to their trading premises without hanging such meat, provided that it is conveyed in non-corrodible containers of adequate size, approved by the Director: City Health or his authorized representative, and easily removable for cleaning and that no offal is conveyed in any container used for conveying meat, but is conveyed in a separate container complying with the requirements of (a) (vii) above.
- (d) If the conveyance is a vehicle, conveying meat to a retail customer, the provision of sub-section (a) (i) and (iii) shall be complied with.
- (e) Cooked or prepared meats shall be conveyed in non-corrodible containers approved by the Director: City Health or his authorized representative and shall be wrapped or covered so as to prevent contamination.
- (f) Save as provided in sub-section (c) (ii) and (e), no meat shall be conveyed on the floor of any vehicle.
- (g) No person, animal or article liable to contaminate meat shall be carried in any vehicle used for conveying for sale any meat intended for human consumption.
- (h) The name and address of the owner and the trade name, if any, of his business shall be printed in clear letters and figures, so as to be easily seen and legible, on both sides of every vehicle used for conveying meat for sale for human consumption.

34.

- (1) All persons engaged in the bulk handling for sale of meat intended for human consumption shall wear clean protective covers of a material approved by the Director: City Health or his authorized representative over their heads, necks and shoulders, so as to prevent contact between the meat and any part of their bodies, except their hands.
- (2) All employers of such persons shall provide them with such covers and shall insure that the provisions of sub-section (1) are complied with.

35.

For a period of four years after the date of promulgation of this By law, the provisions of sections 33(a) (i), (ii), (iii), (v) and (vi), 33(b), except the provision that the trailer should comply with section 33(a) (vii) and 33(d) of this regulation, shall not apply to any vehicle already lawfully in use at such date for conveying meat for sale intended for human consumption.

36.

The provisions of this Part shall be in addition to, and not in substitution for, the provisions of any other regulations of the Council relating to food intended for sale, except in so far as such regulations may be repugnant to or inconsistent with this regulation, in which case the provisions of this regulation shall prevail.

37.

Any person who contravenes or fails to comply with any of the provisions of this Part shall be guilty of an offence.
